Every semester we build new schedules. A survey will be sent prior to the new semester in order to complete it. Provide as many details as possible and mention the hours you work at another job, if you have one, and all your class hours.

Schedules

At the beginning of each semester and during the training period the schedules for classes, TV studio (production floor), Digital Lab, Photography studio, Audio/ Radio are finalized. Based on the availability

- Production Floor
- Audio/Radio Lab

- Photography Studio

Below are the schedules that are posted on the website for the students:
